Subject: BDCP meeting with Corps

Hi Karen,

Mike Nepstad stopped by my desk this morning to suggest setting up an EPA/Corps meeting wrt to BDCP and projects that may be coming forward soon from DWR. We also need to discuss the 404(b)(1) alternatives analysis specifically for the IP that would cover the intake relocation, canal, interim and new project operations. Mike, Tom, and I are available August 4th from 10 to noon. Would you like to join us? We could also have an internal pre-meeting and then Tom and I can talk with Mike N.

Let me know what you would prefer.

Erin
